Housing Rehabilitation Loan Program

The **Housing Rehabilitation Loan Program** enables eligible homeowners in participating communities to maintain the quality of their housing and create a positive effect in the surrounding neighborhood.

Loans are made to correct local code violations and to repair problems that endanger health and safety.

- Loans are made to homeowners who meet program and income guidelines.
- Loans are available for one to four family homes. The owner must occupy one of the units.
- The homeowner participates in setting priorities for repairs and in contractor selection.

Ensure your home is safe, correct all electrical and plumbing hazards

ELIGIBLE HOMES:

- Interest Rate and term of loan depend on annual gross income.
- A title search and credit check are required. A lead paint assessment may also be provided by the Program.
- Loans are made based on the value of your home, secured by a mortgage.

ELIGIBILITY:

Eligibility is determined by income and the number of persons in the household. Many working families qualify. Current income limits are available on our website.

HOW TO APPLY:

Applications can be obtained by calling the Department of Development at 216-348-4066 or via our website at:

www.development.cuyahogacounty.us
